S.1 GEOGRAPHY PAPER 273/1

Paper 1

1 hour 45 minutes

INSTRUCTIONS TO CANDIDATES:

- *Attempt all the questions.*
- *Use the time appropriately,*
- *No additional time shall be awarded*
- *Credit shall be awarded for use of clear diagrams and illustrations studied in the field where necessary.*

ITEM 1

There are a number of features in our environment and among these features are human and some are physical in nature, they serve a number of purposes and for this reason, very many people have endeavoured to utilize them in different ways.

Mr. Komakech a resident in the area shown in the photograph above, is concerned with understanding more about the features in his environment and how they have been utilized.

As a student of Geography who has learned about the features in our environment,

Task:

- (a) Giving evidence from the above photograph, identify the various physical and human features Mr. Komakech can easily utilize in his environment. (05 marks)
- (b) How can he utilize the features named in (a) above positively? (05 marks)
- (c) Guide Mr. Komakech on how people have negatively utilized the different features in the environment. (05 marks)
- (d) As a senior one geography student who has knowledge of environmental conservation, suggest measures on how the environment can be conserved. (05 marks)

ITEM 2

Scenario: There is a concern in your local area about the high level of kidnaping, child sacrifice and visitors getting lost along the way and difficulties in locating features within your local area. The LC1 chairperson has associated this mess as being due to **lack of a clear map of your local area**.

Task:

- (a) As a student of senior one geography class, work with the LC1 chairperson and draw a clear map of your local area indicating where various features can be located. (10 marks)
- (b) Explain the uses of the element of the good and clear map you have drawn with the chairperson. (10 marks)
