SECTION B

In your community, most people have large pieces of land. Each belongs to a family. The families have many children of working age. Every day these healthy looking children move to towns and trading centers. Others leave their homes for urban centers and only return on Christmas or Eid day. Most of those who leave their homes engage in sports betting, hawking and other forms of gambling

TASK

You have been invited by your parish chief during Christmas or Eid holiday, Prepare a speech you will present to your community members on how the youth can occupy themselves profitably using available resources.
