SECTION B

*Contains only **one** item. Attempt the question.*

Item 4

In your community, most people have large pieces of land. Each belong to a family. The families have many children of working age. Every day these healthy looking children move to town and trading centers. Others leave their homes for urban centers and cities like Kampala, Jinja among others only return on Christmas or 'Eid days. Most of those who leave their homes engage in sports betting, hawking and other forms of gambling.

Task

You have been invited by your Parish chief during Christmas or 'Eid day to a community meeting and you are given the mandate to present a speech. Prepare a speech you will present to your community on how the youth can occupy themselves profitably using the available resources.
